# Madama Garden Retreat

Calle S. Felice, 3604, 30121 Venezia VE, Italy

Set in one of the most authentic areas of Venice, Cannaregio, Madama Garden retreat is housed inside the walls of the ancient noble residence Palazzo Antelmi. Surrounded by a lush garden and located on the bank of a canal, the hotel features 9 unique suites designed by owner Mara De Guidi, who carefully followed each phase of the redevelopment and personally chose all the furnishings and decorations of the rooms using wood, glass, brass, velvets and silks, blending traditional materials from Venice's history with modern comforts and contemporary touches.
